

## Flow of the semi-order products

Products of Japan assembling from 100pcs.

Selection  
from the  
existing model

You can select your favorite model from our existing model.  
Please choose it from the catalogue for exclusive use of the separate volume.

Hearing of the  
specifications

We do hearing from the customer about the specifications such as the color of Case, Bracelet, Dial, etc..

Submission of the  
design drawing

Especially for Dial, we submit our design drawing based on the contents of hearing from the customer.  
**One week to two weeks**

Submission of  
the sample

We submit the complete sample according to your desired specifications.  
**One month to one and a half months**

Final confirmation  
of the specifications  
placing order

Please confirm the specifications by the complete model and if no problem, please place the order for mass-production.

Delivery

We deliver the products to your designated place after assembling and inspection in our country.  
**Two months to three months after your order**  
(Delivery place should be one place per one order)
